JUNE.

6th C Distributary, XII Branch Channel, Periyar Project

The estimate, amounting to Rs. 1,040, for the construction of cross drainage works in the —, sanctioned.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Irrigation.
Account.

Read—the following papers :—

From the Superintending Engineer, VI Circle, dated 20th April 1901, No. 396 M.D.

Enclosure.

Report to accompany the Estimate for constructing cross drainage works in 6th C distributary, XII Branch Channel.

	RS.
Amount of Estimate	1,040

The present estimate provides for constructing three cross drainage works in the 6th C distributary, XII Branch Channel, to which no provision was made in the original estimate.

As the channel runs on contour up to drop No. 2, the banks often breach at the sites shown in the accompanying sketch map and where the three cross drainage works are now proposed to be built.

The superpassage will also serve as a bridge for the cart-track from Kottagudi to Panangudi.

The rates provided in this estimate are the same as those paid for other works in the distributary.

The work will be carried out according to the current departmental standard specifications.

(Signed) H. T. KEELING,
Ex. Engr., Madura Divn.

No. 117 I.

Note by the Chief Engineer for Irrigation.

The Superintending Engineer, VI Circle, submits an estimate, amounting to Rs. 1,040, for constructing cross drainage works in the 6th C distributary, XII Branch channel, Periyár project. It is reported that the proposed works, which consist of two syphon culverts and a superpassage, are required for the efficient upkeep of the distributary. The estimate may be sanctioned.

(Signed) W. HUGHES,
Chief Engineer for Irrigation.
